Hector Zhengliang

Brooklyn, NY | (917) 353-2169 | hectorzheng4@gmail.com

EDUCATION

CUNY Hunter College — New York, NY
Bachelor of Arts in Computer Science — *Aug. 2022 - May 2025*

Kingsborough Community College — Brooklyn, NY
Associate of Science in Computer Science; Graduated with Honors — *Sep. 2019 - Jun. 2022*

HANDS-ON SOC EXPERIENCE

TryHackMe - SOC Level 1 — Ongoing
Hands-on security operations training

- Complete hands-on SOC exercises involving alert triage, log analysis, phishing investigation, and incident-response workflows.
- Analyze logs, packet captures, URLs, domains, IP addresses, and file hashes to identify suspicious activity and indicators of compromise.
- Use Splunk, Wireshark, VirusTotal, CyberChef, and NetworkMiner in lab investigations and document findings for closure or escalation decisions.

CyberDefenders - Blue Team Investigation Labs — Ongoing
Case-based defensive security challenges

- Work through investigation-focused challenges using logs, packet captures, and security artifacts to determine what occurred during an incident.
- Identify malicious activity, relevant indicators, affected systems, and evidence that supports an investigation conclusion.
- Build concise incident notes that summarize observations, findings, and recommended next steps.

CERTIFICATIONS & TRAINING

Google Cybersecurity Professional Certificate - Coursera — Jan. 2025 - Jul. 2025
Cybersecurity foundations, security operations, Linux, SQL, Python, detection, and incident response

TECHNICAL SKILLS

Security & Analysis Tools: Splunk, Wireshark, VirusTotal, CyberChef, NetworkMiner
Security: Security Operations (SOC), SIEM concepts, alert triage, threat detection, log analysis, phishing analysis, incident response, IOC analysis
Systems: Windows, Linux
Programming & Scripting: Python, C++, SQL
